INTERNATIONAL CONFERENCE & EXHIBITION

3–5 November 2026
Ashgabat, Turkmenistan

PRE-FORUM DAY

Monday, 2 November 2026

10:00 - 13:00

Cultural Programme for International Delegates

A cultural programme featuring a visit to the UNESCO World Heritage Site of Ancient Nisa, a sightseeing tour of Ashgabat and a visit to the National Carpet Museum of Turkmenistan.

14:00 - 19:00

CIET 2026 Delegate Registration

Venue: Foyer, Olympia Hotel

19:00 - 22:00

CIET 2026 Pre-Forum Welcome Reception

Venue: Banquet Hall, Olympia Hotel

DRAFT AGENDA

Tuesday, 3 November

CIET 2026

09:00 - 09:30	Delegate Transfer from the official conference hotels to the CCIT		
10:00 - 11:30	OFFICIAL OPENING OF CIET 2026 & VIP EXHIBITION TOUR. Official opening ceremony followed by a VIP tour of the international exhibition, featuring national and international exhibitors and presentations of major construction, architectural, industrial, energy and infrastructure projects.		
11:30 - 12:30	Exhibition & Business Networking Engagement with exhibitors, project presentations, business networking and media opportunities		
12:40 - 13:00	Transfer to the Gül Zaman Banquet Hall		
13:00 - 13:40	Official Lunch		Venue: Gül Zaman Banquet Hall
13:40 - 14:00	Transfer from Gül Zaman Banquet Hall to the CCIT		

14:00 - 16:00	STRATEGIC PLENARY SESSION	MODERATOR
---------------	----------------------------------	------------------

TOPIC

Innovation. Investment. Growth: A New Era for Construction, Industry and Infrastructure Development in Turkmenistan

The Strategic Plenary will set out the key priorities for the further development of Turkmenistan's construction, industrial and infrastructure sectors, while highlighting opportunities for expanded international cooperation and investment. Particular attention will be given to modern architecture and urban development, technological modernisation, the expansion of domestic manufacturing capacity and the delivery of major national projects.

Session Host

Key Themes:

- National priorities for construction and industrial development
- Modern architecture, urban planning
- Major construction, industrial and infrastructure projects
- Investment and international cooperation
- Development of domestic manufacturing and localisation
- Technological modernisation and deployment of advanced solutions
- The role of the private sector in economic development
- Sustainable development and new opportunities for international companies

SPEAKERS

TBC

16:00 - 16:30	Networking Coffee Break
---------------	-------------------------

16:30 - 18:00	PRE-ARRANGED B2G & B2B MEETINGS
---------------	---------------------------------

16:30 - 18:00	UN ROUNDTABLE — SDG 11	MODERATOR
---------------	-------------------------------	------------------

TOPIC

Sustainable Cities, Affordable Housing and the Future Urban Environment

The roundtable will bring together representatives of government institutions, the United Nations system, international organisations, financial institutions and the architectural and construction community to discuss practical approaches to sustainable urban development.

Session Host

Key Discussion Areas:

- Affordable and high-quality housing
- Sustainable urban planning and development
- Energy-efficient buildings and modern engineering infrastructure
- Public spaces and improving the quality of the urban environment
- Sustainable construction materials and technologies
- International experience and the role of the United Nations in advancing the Sustainable Development Goals

SPEAKERS

TBC

19:00 - 22:00	OFFICIAL GALA DINNER	Venue: Gül Zaman Banquet Hall
---------------	----------------------	-------------------------------

09:00 - 09:30

Delegate Transfer from the official conference hotels to the CCIT

09:30 - 10:00

Welcome Coffee & Networking

10:00 - 11:30

SESSION 1

MODERATOR

TOPIC

Energy & Chemicals:

Driving Industrial Growth and Higher-Value Production

This session will examine the role of the energy and chemical industries in supporting sustainable industrial growth, creating new production capacity and expanding the manufacture of higher-value products. The discussion will address opportunities to improve energy efficiency, accelerate technological modernisation, expand downstream processing and attract international investment.

Session
Host

Key Themes:

- Reliable and efficient energy supply for industry
- Energy efficiency and advanced energy technologies
- Development of the chemical and gas-chemical industries
- Fertiliser, ammonia and urea production
- Polymers and higher-value downstream products
- Development of new manufacturing capacity
- Technological modernisation of existing industrial facilities
- International investment, technology and cooperation

SPEAKERS

TBC

11:30 - 12:00

Networking Coffee Break

12:00 - 13:00

SESSION 2

MODERATOR

TOPIC

**Modern Construction, Architecture & Urban Development:
New Technologies, Materials and Localised Production**

The session will explore contemporary approaches to construction, architecture and urban development, with a particular focus on creating high-quality urban environments, adopting advanced technologies and strengthening Turkmenistan's domestic manufacturing base. Special attention will be given to advanced construction materials, digital design, energy efficiency and localisation.

Session
Host

Key Themes:

- Contemporary architecture and urban planning
- Advanced construction technologies and project delivery methods
- Modern and locally produced construction materials
- Prefabricated and modular construction
- Building Information Modelling (BIM)
- Energy-efficient buildings and sustainable architectural solutions
- Local production of construction materials and equipment
- Reducing material intensity, improving resource efficiency and minimising construction waste

SPEAKERS

TBC

13:00 - 13:20

Transfer from the CCIT to Gül Zaman Banquet Hall

13:20 - 14:00

Networking Lunch

Venue: «Gül-Zaman» Banquet Hall

14:00 - 14:20

Transfer from Gül Zaman Banquet Hall to the CCIT

14:20 - 15:30

SESSION 3

MODERATOR

TOPIC

Investment & Public-Private Partnerships: Financing Infrastructure, Industry and Regional Connectivity

TBC

Session
Host

This session will focus on mechanisms for mobilising investment and strengthening cooperation between government, the private sector and international financial institutions in the delivery of major construction, industrial, transport and infrastructure projects in Turkmenistan.

Particular attention will be given to practical financing mechanisms and the preparation of investment-ready projects.

Key Themes:

- Public-private partnerships and modern investment structures
- Financing major construction and infrastructure projects
- Project finance and export credit finance
- Participation of banks and international financial institutions
- Transport and logistics infrastructure
- Regional transport corridors and connectivity
- Urban and municipal infrastructure
- The role of Turkmenistan's private sector and improving project investment readiness

SPEAKERS

15:30 - 16:00

INVESTMENT DIALOGUE

MODERATOR

TOPIC

10 Years of Aýdyň Gijeler: Government and Private Sector — Partnership for Growth

TBC

Session
Host

A special dialogue dedicated to the development of Turkmenistan's private sector and the practical experience of cooperation between government and business.

Drawing on the ten-year journey of Aýdyň Gijeler and the experience of other leading Turkmen enterprises, the discussion will explore the role of entrepreneurship, investment, localisation, innovation and long-term partnership in developing a modern national economy.

Key Themes:

- Cooperation between government and the national private sector
- Creation and development of modern domestic industries
- Localisation, innovation and deployment of new technologies
- Investment in expanding production capacity
- Workforce development and job creation
- Future participation of the private sector in major national projects

SPEAKERS

16:00 - 16:30

Networking Coffee Break

16:30 - 17:00

Signing Ceremony

17:00 - 19:00

PRE-ARRANGED B2G & B2B MEETINGS

19:00 - 22:00

Networking dinner

Venue: «Shamelek» Banquet Hall

09:00 - 09:30

Delegate Transfer from the official conference hotels to the CCIT

09:30 - 10:00

Welcome Coffee & Networking

10:00 - 11:30

SESSION 4

MODERATOR

TOPIC

Digital Construction, Smart Cities & the Future Workforce: Technologies for the Next Phase of Development

TBC

This session will examine the deployment of digital technologies across construction, industry and urban infrastructure management, together with the development of the skills required for the economy of the future. Participants will explore practical applications of artificial intelligence, Building Information Modelling, digital twins, automation and smart-city technologies.

Session Host

Key Themes:

- Artificial intelligence in construction and industry
- Building Information Modelling
- Digital twins and digital asset management
- Smart-city technologies and intelligent urban infrastructure
- Automation and robotics
- Advanced engineering and technology solutions
- Engineering and architectural education
- Developing young professionals and strengthening university–industry cooperation

SPEAKERS

11:30–12:30

CIET 2026 AWARDS CEREMONY & OFFICIAL CLOSING

MODERATOR

TBC

The closing ceremony will review the key outcomes of CIET 2026 and the national Architectural Solutions 2026 competition, recognise outstanding projects and emerging talent, and highlight priority areas for future cooperation.

- Review of the CIET 2026 conference and exhibition outcomes
- Presentation of awards to the winners of Architectural Solutions 2026
- Recognition of outstanding architectural, urban planning, landscape and sustainable design solutions
- Recognition of students and young professionals
- Presentation of the People's Choice Award
- Closing remarks by the organisers

12:30–17:00

PRE-ARRANGED B2G & B2B MEETINGS
