On 3–4 November 2025, the International Exhibition and Conference “CIET-2025” took place at the Sports and Games Building of the “Awaza” Sports Complex in Awaza, Turkmenistan. The event was organised by the industrial and construction sector of Turkmenistan in partnership with the Turkmen Energy Forum. CIET-2025 served as a key platform for discussing the development of Turkmenistan’s construction, industrial, chemical, and energy sectors. Participants reviewed current global trends, explored innovative solutions, and identified new opportunities for investment and cooperation. Running alongside the conference, the CIET-2025 Expo showcased technologies, equipment, and solutions from domestic and international companies. Special attention was given to innovation, digitalization, and strengthening partnerships between national enterprises and global companies. Through its focused sessions, exhibition programme, and B2B meetings, CIET-2025 reaffirmed Turkmenistan’s commitment to industrial modernization, technological advancement, and expanding international cooperation.
